Bringing Light

We have seen some incredible evil and darkness recently. A suicide bomber attacking happy families is something that we can all see as being about as dark as it gets.

Yet, as has been said many times, we have also seen fantastic examples of light. NHS staff turning up at hospitals to help, even though they were off shift. Taxi drivers coming from near and far to get people home safely for free. Police officers running into danger. And the list goes on.

About a year ago we saw great darkness on another occasion with the murder of Jo Cox MP. And again there was a remarkable sense of the country coming together.

The weekend of Friday 16th to Sunday 18th June is 'The Great Get Together', when all types of people can do something together.

This is such a great thing and as a church we are organising a simple picnic in Adswood Park, Councillor Lane. (Bring your own picnic.) This is for anybody in our community to come to.

I am so mindful in these things of the Lord Jesus who said to his disciples, "You are the light of the world." Now that was startling because Jesus is the light of the world.

Yet, as his people, those disciples were to reflect the light of Jesus into the darkness of the world (like you did with your watch at school).

So, let's bring light!

Rev Paul Cumming
